

"Strategically planning for Services within our Community"

How do I access MVISS-Metro Vancouver Indigenous Service Societies Services?

Its simple: one does not need to be referred to our services, self-referral is common.

All that is required is an intake application to be filled out? Where do you get the intake package?

Our intake package can be accessed through our Intake Navigator here at the office or on our website at <http://www.mviss.ca/downloads/intake-package.pdf> , you can also request one be emailed or faxed to you to fill out.

Services are free of cost and are open to Vancouver, North Vancouver, and Richmond residents of Indigenous decent.
